- Select the Program.
- Enter the appropriate date range.
- Printing as a Web Page will enable you to click on each percentage/value to drill down to clients records that make up that number. This is a good option if you are analyzing the data. However, if you need to print a hard copy, printing as a PDF is preferred.

Choose Program(s)

Choose:

- New Beginnings SPC
- Financial Assistance Service Program
- VIVO Bridge ES Project
- VIVO PSH Project

Choose a starting date

2015/05/01

Choose an ending date
