

Coordinated Entry Assessment Sites

Coordinated Entry (CE) is Southern Nevada's strategy for a more efficient system to assist households experiencing homelessness access housing services. This has proven to be an effective way to assess people for multiple programs and match them to appropriate housing in the community as it becomes available. CE allows providers to focus their time and resources on providing direct services to clients and improves the coordination of shelter and housing services.

Adults without children

Adults without children can go to any of the Clark County Social Service (CCSS) offices listed below Monday-Friday; 8am to 5pm. Phone inquiries are available at (702) 455-4270 for all sites.
