

**INCLEMENT
WEATHER SHELTER
PROGRAM
(RFQ No. 602599-12)**

Southern Nevada Regional Planning Coalition
Regional Initiatives Office
September 13, 2012

Intent of the Inclement Weather Shelter Program

- The Inclement Weather Shelter Program is a component in the implementation of Help Hope Home: the Southern Nevada Regional Plan to End Homelessness
- The goal is to offer relief from the most extreme weather conditions during the hottest and coldest weather periods
 - Day shelter services for the heat during the summer months
 - Night shelter services for the cold during winter months
 - Motel vouchers for households unable to be in shelter

Scope of Work

- Provider will operate both a summer and winter component
- Summer component: May 1st – September 30th
- Winter component: Monday in November closest to the 15th – Sunday of the final full week in March (19 weeks)
November 19, 2012-March 31, 2013

Scope of Work

- Operate a summer day shelter program commencing no later than 11:00 am and continuing until at least 7:00 pm
- Operate a winter weather shelter program providing nighttime shelter for a minimum of twelve (12) hours and a maximum of sixteen (16) hours
- The PROGRAM services shall be provided to homeless individuals and/or families free of charge and without restrictions on the length of stay for the entire contract period.

Scope of Work

- Reporting demographics generated from HMIS to include number of clients who are:
 - Disabled
 - Senior Citizens (62 and over)
 - Unaccompanied youth (under 18 years if age)
 - Families (including total number of members in the household)
 - Veterans
- Client outcomes
 - Requesting services to transition from homelessness to self-sufficiency
 - Narrative of outcomes of clients who have connected to longer-term services to move out of homelessness

Changes to Scope of Work

- Budgeted amounts include a fee-for-service rate
 - Agencies may bill up to, but not exceed, the total amount for the season
 - Allows for maximum utilization of funds by providers
- Contract periods will include the entire winter and summer seasons continuously

Annual Renewal Of Contract

- The contract may be renewed on an annual basis for a period of up to five (5) years subject to:
 - An annual review by Owner of Provider's services during the preceding contract year;
 - Proposed services and budget for the renewing contract year; and
 - Availability of program funding
- Amendments to contracts may be executed to modify scope and budgeted amounts as warranted
