# Mission Statement

---

We exist to glorify God as we demonstrate Christ's love among our neighbors in Las Vegas by providing **excellent** and **affordable** healthcare for all.

# The Last Two Years

---

- Vegas locals provided medical service in Haiti
- Why can't we do this in our **own backyard?**
- 501(c)(3) incorporation

# Distinctive Service

---

- Office visit and lab charges are based on a sliding scale
  - For patients at or below 200% of Federal Poverty Level, office visits are \$20
- We do not turn anyone away, regardless of ability to pay
- Onsite Nevada HealthLink Certified Application Counselors

# The Stats

---

- Clinic opened August 11, 2014
- Over the last 17 weeks, over 300 patients have been served
- 50-70% of patients are uninsured
- 25% of patients are under age 18
  - 35% of these children are uninsured
- 30% require a translator
- Most common reasons for office visits are depression, diabetes and routine well care
