Crisis Stabilization

- Youth boys and girls ages 10 to 17
- 24-hours a day 7 days a week
- Immediate safe haven for runaway/homeless in need of crisis intervention or emergency placement. The program provides alternatives for runaway youth and works to reunite runaways with their family unit. Special emphasis is placed on alternatives for adolescent and parent abuse and for family violence.
- 24-hour Crisis Hotline (702) 385-3332

Adolescent Detoxification

Adolescent Detoxification program where youth can receive supervised detoxification services and early intervention to adolescent substance abuse problems. The program's philosophy is that successful detoxification can be accomplished in a non-medical, supportive environment without the use or administration of drugs as a part of treatment.

Street Outreach

WestCare's Street Outreach workers respond to street youths' immediate needs for food, water, clothing, and shelter. They also carry with them items to hand out to street youth, including hygiene kits, clothing and outer wear to protect against the weather, cards with emergency phone numbers, resource lists of homeless shelters, food pantries and free medical facilities, and legal aid information cards.

VOYAGE

(Transitional Living Program)

- The VOYAGE Project opened in Spring 2008 (Vision of Young Adults Gaining Empowerment). VOYAGE serves 16-21 year old young women who may be:
 - Aging out of the foster care system
 - Runaways/Homeless
 - Pregnant or Parenting
- This program is a three phase program that works to help young women learn self sufficiency and independence. It includes shelter, residential, and apartment settings.

Residential Services

- **B.O.Y.S.**

- The Building Our Youths Spirits Program is a residential substance dependence treatment program for adolescent boys 12 -17.
- This 16 bed program at the Harris Springs Ranch Campus, a residential setting located approximately 45 minutes outside of Las Vegas in the Spring Mountains National Recreation Area.
