***Accomplishments-Action Items Completed:***

- The development of the local CoC project application was completed on 5/25/16.
- The local CoC project application process began 5/30/16.
- CoC mandatory technical assistance sessions were held 6/3 and 6/6.

***Near term: Action Items In-progress/Pending:***

Items that are currently “in-progress and on-going”:

- Coordination with ESG grantees and with Jurisdictions responsible for HUD Consolidated Plans.
- Responding to requests from funders for review, score and/or recommendations for project applications.
- Learning HUD regulations, policies and priorities and working with CoC Coordinator

***Goals not yet met/Issues:***

- The review, scoring and ranking of applications cannot occur until the project applications process close on 6/24/16.
- Recommendations to the SNH CoC Board for approval to include local project applications into the HUD CoC Application will occur after the application review, score and ranking process is complete.

***Announcements:***

- 6/24/16 Local applications are due in ZoomGrants.
- 7/11-7/13, 2016 Local application presentations.
- HUD announced via a webinar that the 2016 NOFA will be released in June.
