

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

The Nevada Partnership for Homeless Youth (NPHY)'s Independent Living Program (ILP) is a 20-bed transitional housing program for unaccompanied homeless children and youth that provides housing and wraparound services in a safe, supportive, and independent environment that promotes self-sufficiency. Nestled within NPHY's own continuum of services developed exclusively for homeless youth, the objective of the program is to not only move youth out of immediate homelessness by providing clients with housing and fulfilling their survival needs, but also to help each youth build toward long-term independence and success. In addition to housing and immediate needs services, such as food, clothing, and transportation, each program participant is provided with intensive case management, education and employment counseling and assistance, connections to mainstream benefits, life skills classes, therapy, and a variety of enrichment opportunities to help them grow into self-sufficient, successful adults.

Following HUD's guidance, this program provides transitional housing and supportive services tailored to the unique needs of homeless youth. This approach has proven its effectiveness, with the majority of clients exiting from NPHY's ILP program to stable housing year over year. NPHY's evidence-informed ILP program fulfills a critical function in our local community, where 2,052 unaccompanied homeless children and youth were found to be residing during the 2017 Southern Nevada point-in-time count. The central objectives of this program are to increase each client's job readiness and income, inspire and empower them to meet educational milestones, bolster their self-sufficiency, and ultimately enable them to obtain and stay in permanent housing.

The youth in this program live in home-style, confidentially-located, scattered-site condos, learning to live independently while also benefiting from the 24-hour support and monitoring of their case managers and house parents. Every ILP client is assisted to enroll in school and/or work full-time and encouraged to make daily contact with their case manager to ensure they have the resources, tools, and motivation needed to achieve their goals. Employed youth also save half of each paycheck in an Individual Development Account, which is redistributed to them upon graduation from the program to aid them in transitioning to a sustainable, adult lifestyle. Graduating youth are also provided with six months of aftercare services to ensure their long-term success.

Sixteen of this program's 20 beds are HUD-funded. Four additional beds are funded by a U.S. Department of Health and Human Services Transitional Living Program/Maternity Group Home grant awarded in collaboration with Clark County Social Services and Southern Nevada Children First.

Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses.
