

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

1. Provide a description that addresses the entire scope of the proposed project.

The New Beginnings (NB) program is a permanent supportive housing project that serves chronically homeless individuals (CHI) with immediate placement in permanent supportive housing and a connection to needed resources to support their success in transitioning to self-sufficiency. Using a housing first/harm reduction model, New Beginnings focuses on two core areas: intensive case management and permanent supportive housing. Funds requested in this application will support rent for CHI while match funds from partnering agencies will provide supportive services and intensive case management. As a permanent supportive housing project, the duration of rental assistance is based upon the household's ongoing housing needs.

NB is a partnership between HELP of Southern Nevada,(the direct client service provider), and Clark County Social Service (fiscal agent). The NB collaborative is improving the lives of 137 chronically homeless households by providing \$1,283,964 in tenant based, scattered site, permanent supportive housing based upon a housing first harm reduction philosophy. Intensive case management at a 20:1 client to case manager (CM) ratio is supported by a cash match contract with HELP. CM provides housing assessments, housing navigation, supportive services, and the routine intensive case management to support a robust individual service plan.

The goals of the project are to provide client-centered and evidence based permanent supportive housing practices to support the needs of the client, support ending chronic homelessness by 2017 as outlined in the federal plan 'Opening Doors' to prevent and end homelessness, and reduce incidences of utilization of high cost public systems. Best emerging practices used to develop this project include Housing First/Harm Reduction, and Intensive Case Management (ICM).

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

RE: NEW BEGINNINGS: HUD EXPIRING GRANT NUMBER - NV0078L9T001604

To Whom It May Concern:

Clark County Department of Social Service (CCSS) seeks to provide a safety net of human services for the growing community of Southern Nevada. This safety net provides support to low-income, at-risk, and high risk populations attaining self-sufficiency. The New Beginnings program seeks to house 137 chronically homeless adults in permanent supportive housing to assist them with becoming self-sufficient.

CCSS is dedicated to supporting New Beginnings with cash match funds. CCSS is committing:

<u>Type</u>	<u>Source</u>	<u>Value</u>	<u>Date of Commitment</u>
In-kind	CCSS Local Government	\$345,244	7/1/2018 – 6/30/2019

For: Intensive Case Management contract awarded to HELP of Southern Nevada.

New Beginnings is an innovative project for Southern Nevada and will serve as a model for other programs supporting chronically homeless adults seeking permanent housing stability. If you have any questions or require further information, please contact me at 702-455-5722.
