Accomplishments-Action Items Completed:

- Determined the make-up of the Coordinated Entry working group. Membership will include the following:
 - Leads from each subpopulation group
 - Leads from matching group
 - HMIS administrator
 - Staff providing oversight of the By-Name-List (BNL) for Chronically Homeless
 - Outreach lead
 - Funders and jurisdictional partners
 - Service provider representatives
- Michele Fuller-Hallauer was voted in as the chair and Kelly Robson was voted in as the co-chair
- Mindy Torres will serve as note taker
- Matchers are working on writing their process, expectations and code of conduct
- Family matchers meet every Thursday
- Matching group meets first Wednesday of the month 10:30-12
- HUD will be releasing BNL specs in the near future. Bitfocus will hold off on further updates to BNL report since the HUD specs should be released soon.
- Built For Zero Learning session was Feb 7-8 with focus on Moving-On, data and pitch to outside funders to support increase in PSH opportunities
- Reviewed in depth the data and reports that can be pulled from HMIS to assist in the oversight and monitoring of the CE system

Near term: Action Items In-progress/Pending:

- Decision making process and governance for the group
- Marketing/Outreach
- Process for considerations for matching housing units the include room-mate situations
- Determine process for how to address folks who left the community via bus ticket programs and have returned and are in need of housing
