The screenshot shows a web browser window with the URL helphopehome.org/funding-opportunities/. The page features a green header with a search bar and navigation links. The main navigation menu includes Home, About Us, Regional Efforts, For Providers (highlighted), Take Action, Get Assistance, and Contact. A dropdown menu under 'For Providers' lists Funding Opportunities, Training Opportunities, Glossary of Terms, and External Resources. The page title is 'Funding Opportunities'. The breadcrumb trail shows HOME > Funding opportunities. The main content area is titled '2018 Southern Nevada Local HUD Continuum of Care Project Application' and contains the following text:

Each year the U.S. Department of Housing and Urban Development (HUD) releases a Notice of Funding Availability (NOFA) for the HUD Continuum of Care Homeless Funds. HUD has not yet released their 2018 CoC NOFA; however, the Southern Nevada Homelessness Continuum of Care (CoC) Evaluation Working Group is releasing a CoC Local Application as part of the HUD local process. Information from this local application will be used to determine inclusion in the 2018 Consolidated Application to HUD for the CoC Homeless Assistance funds.

Note: The Continuum of Care Local Application is mandatory for anyone who wishes to participate in this year's Southern Nevada Consolidated Application. For 2018, the Local HUD CoC Project Application is an electronic submission through Zoom Grants. Agency information and Agency Application must be submitted and approved before access will be given to the Project Application Tab. Access to the Project Application will be completed after attendance of the Mandatory
