RACIAL DISPARITY

An initial analysis of Southern Nevada Homelessness' Continuum of Care (2019)

LIMITATIONS:

- Process / eligibility flow was NOT assessed.
- Subpopulation was NOT included in assessment.
- Ethnicity was NOT included in the assessment.

WHAT IS DISPARITY?

• "a great difference"

• When one group in an event is not equal to the ratio of another group in the same event

RACIAL DISPROPORTIONALITY VS RACIAL DISPARITY

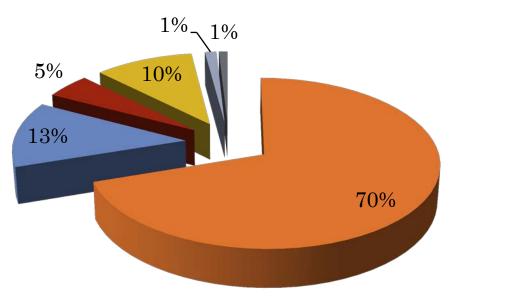

• Disproportionality:

• Disparity:

- a state of being out of proportion. A condition when the percent of persons of a certain race or ethnicity in a target population differs from the percentage of persons of the same group in a reference (or base) population
- when the ratio of one racial or ethnic group in an event is not equal to the ratio of another racial or ethnic group who experienced the same event

GENERAL POPULATION (2,231,647)

Clark County Census by Race (v2018)

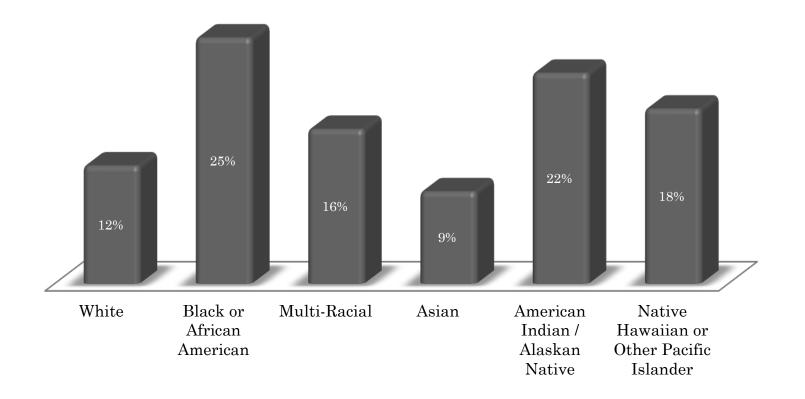

White

- Black or African American
- Multi-Racial
- Asian
- American Indian / Alaskan Native
- Native Hawaiian or Other Pacific Islander

Assessing Risk: Poverty

CONCLUSION

• No Racial Disparity in CoC Overview

• Possible Disparity in Project Types

NEXT STEPS

- Analyze project types.
- Subpopulations and Ethnicity.
- Enrollment and Service Process
- Equitable vs Equal
