

Data and Systems Improvement Working Group Report to the CoC Board

June 2020

Data and Systems Improvement Working Group June 15, 2020 (3rd Mondays) at 8:30 am at CCSS

Chairs: Michele Fuller-Hallauer, CCSS & Stacey DiNicola, City of Henderson

Attendees: Stacey DiNicola (City of Henderson), Michael Reed (Bitfocus), Katherine Marçal (UNLV), Catherine Huang Hara (CCSS), Jasmine Cook (CCSS), Kristen Garret (CCSS), Danita Osborne (CCSS), Matt Manlangit (CCSS), Michele Fuller Hauser (CCSS), Ashley Barker-Tolman (Cloudburst), Susan Starrett (CSH)

Accomplishments - Action Items Completed:

- Group discussed the presentation by the HUD TA providers to the AB73 working group, where they presented modifications to system modeling tools and next steps.
- Susan Starrett shared a power point presentation that was presented to the AB73 working group.
- The Group also discussed the status of the Census Report. The Census report should be completed by the end of June.
- There are currently no updates regarding the CoC competition. The Team is still waiting for guidance from HUD.

Pending Items:

- Group will discuss program models and the output and input of each program model type.
- Group will prioritize funding programs and whether program interventions are considered high, medium and low in terms of funding prioritization.
- Updates on the CoC remains a standing item for discussion until further guidance is provided by HUD.

Next regular meeting on June 29, 2020 at 8:30 am.
