

Community Engagement Working Group

Sept. Report by Chair Dr. Mae Worthey-Thomas

- The Community Engagement Working Group will begin working on Operation Home, the initiative to house 3000 homeless individuals. The Working Group will focus on providing communications efforts for the initiative.
- Due to Covid-19, the Working Group decided to forgo the provider awards that would normally be held in the fall in person.
- The Sept. meeting was postponed until we receive further direction from Operation Home on what the needs are related to communications.
