

Southern Nevada Homelessness CoC Board Orientation: Data, Data, Data

Michele Fuller-Hallauer

Help Hope Home
Ending Homelessness In Southern Nevada

Homeless Management Information System/ Community Management Information System (HMIS/CMIS)

Comparable Data base

-
- Victim Services Providers (VSP) that are recipients or subrecipients under HUD's Continuum of Care (CoC) and Emergency Solutions Grant (ESG) Programs are required to collect client-level data consistent with HMIS data collection requirements.
 - Victim Services Providers VSPs are prohibited from entering into HMIS.
 - To protect clients, VSPs must enter required client-level data into a comparable database that is comparable to and complies with all HMIS requirements.
 - Clarity provides a Comparable database that VSPs in our CoC use.

Annual Performance Report (APR)

HUD requirement for every HUD funded recipient

Submitted through SAGE

- HMIS Reporting Repository

Includes

- Grant information (e-snaps and LOCCS)
- Contact information
- Bed and Unit Inventory and Utilization (validate with HMIS report)
- Financial Information (verify with LOCCS)
- Performance Accomplishments

Import directly from HMIS or comparable database (CSV file)

Due within 90 days from end of grant year

*HMIS and Planning Grant APR's are slightly different

Longitudinal System Analysis (LSA)

HUD mandated report

Provides critical information about how people experiencing homelessness use their system of care

Includes demographic information, service use patterns, CoC's capacity to house homeless persons

Uploaded to HUD from HMIS

Reporting period October 1 – September 30

- Approximate draft due date: October 31
- Approximate final due date: February 1 (February 15, 2022)

Housing Inventory Count (HIC) and Point-In-Time (PIT) Count

-
- HIC
 - HUD requirement
 - Comprehensive inventory of all housing units that are dedicated to serving homeless and formerly homeless within the CoC.
 - All year-round, seasonal and temporary beds/units should be counted
 - PIT
 - HUD requirement
 - Count of sheltered and unsheltered homeless persons on a single night in January.
 - Sheltered count includes emergency shelter, transitional housing and Safe Havens
 - Approximate due date: April 30 (May 6, 2022)

Homeless Operations Management System (HOMES)

VA's data
collection and
reporting system

System of record
for Veterans
Administration

Successful
integration with
HMIS!

System Performance Measures (SPM)

Tool used to measure local homeless response as a coordinated system

Used in the HUD CoC Annual Program Competition

Reporting period is October 1 – September 30

- Approximate draft due date: October 31
- Approximate final due date: February 28 (February 28, 2022)

Pulled quarterly from HMIS (January, April, July and October)

Pull benchmark report semi-annually (November & May)

DSIWG reviews quarterly

- Suggest appropriate WG's and provider to review and communicate back regularly

System Performance Measures (cont)

Measure 1: Length of Time Persons Remain Homeless

Measure 2a and 2b: The Extent to which Persons Who Exit Homelessness to Permanent Housing Destinations Return to Homelessness within 6, 12, and 24 months.

Measure 3: Number of Homeless Persons

Measure 4: Employment and Income Growth for Homeless Persons in CoC Program-funded Projects

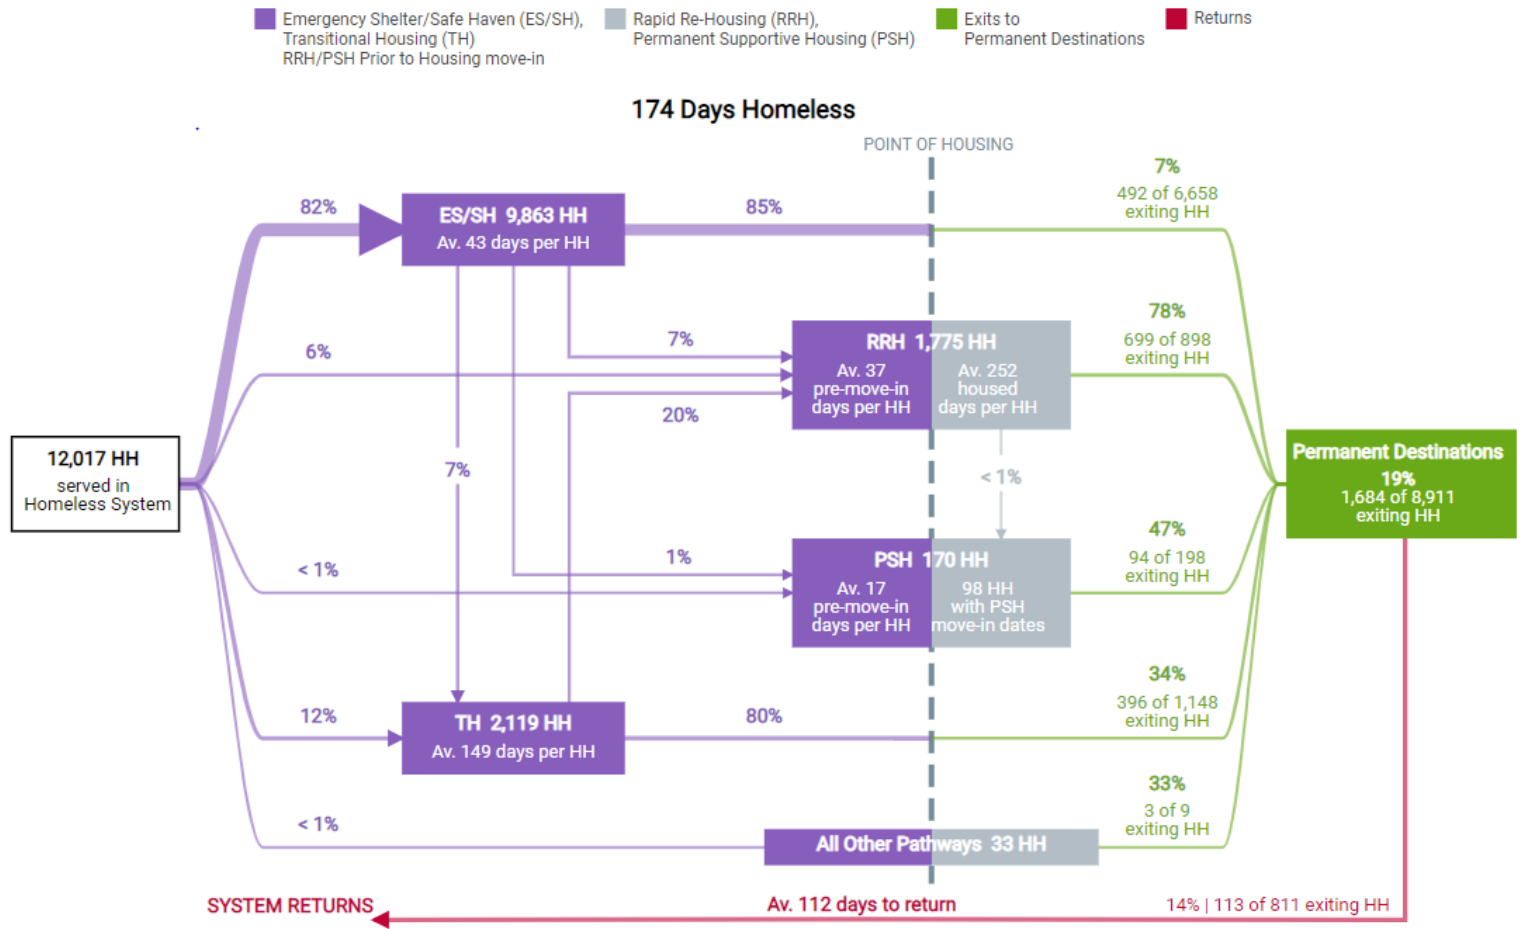

Measure 5: Number of Persons who Become Homeless for the First Time

Measure 6: Homeless Prevention and Housing Placement of Persons Defined by Category 3 of HUD's Homeless Definition in CoC Program-funded Projects

Measure 7: Successful Placement from Street Outreach and Successful Placement in or Retention of Permanent Housing

HUDHDX

-
- US Department of Housing and Urban Development (HUD) Homelessness Data Exchange (HDX)
 - For HUD and community use ONLY
 - Public data sets found on HUD Exchange
 - CoCs submit data to HUD for the following reports:
 - LSA
 - PIT
 - HIC
 - SPM

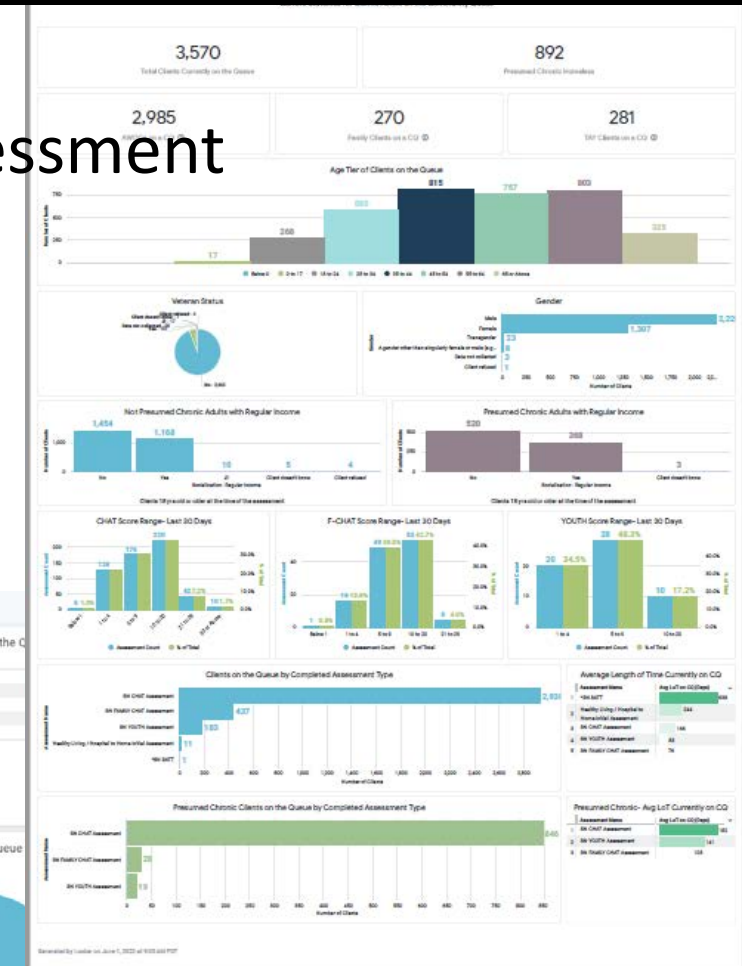

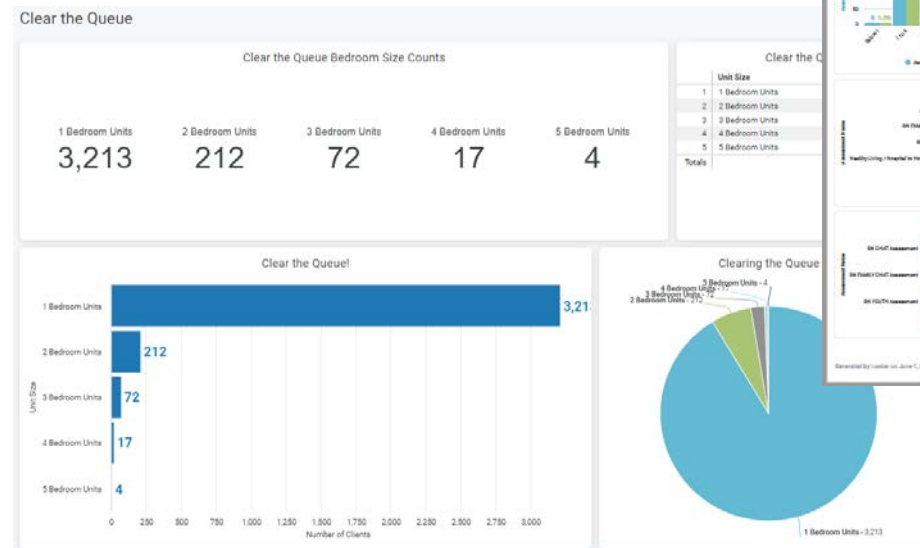

Stella

- Strategy and analysis tool
- Uses LSA data
- Dynamic visuals
- Two Modules
 - Performance
 - Modeling

Coordinated Entry Community Queue

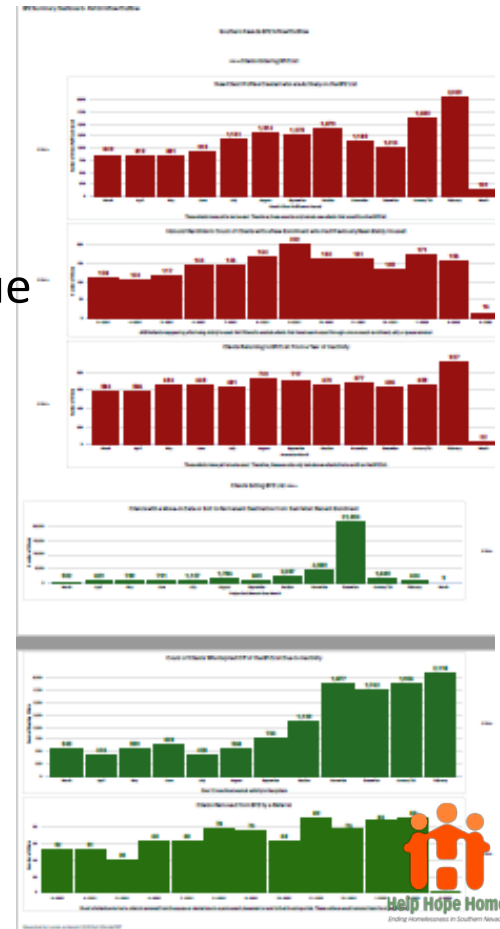

- Virtual List of clients who have had a Housing Assessment
- Dynamic
- Where all housing placements are made from
- Statistics Report
- Activity Dashboard
- Clear the Queue Report

Built for Zero (BFZ) Report

- System-wide look of clients who have accessed services recorded in HMIS
 - 12 month look
 - 30 day look
- Inflow/outflow
- 12-month Community Queue Statistics

Data Dashboard

- Performance Overview of Operation Home! Initiative
- Public facing
