

# SHARED HOUSING

## Property Management Information

### HOW IT WORKS...

- Applicants complete a questionnaire to be matched with compatible roommate(s).
- Case managers and landlords work together to set up a unit viewing and application submission.
- Once applicants are approved, each roommate will execute a lease with the landlord.

### Incentives

Financial incentives paid per tenant upon initial lease signing.

Funds available for unit repairs

Ongoing case management and peer navigation support services

Access to a pool of ready-to-rent tenants
