Scoring and Ranking Process

- HUD NOFO was released on July 5; application due to HUD Sept. 28
- Scoring and ranking policies were approved by the CoC Board on July 13
- Local applications for new and renewal funding were due to the CoC on August 14
- The TA team scored objective factors and conducted a threshold review of all projects
- The Scoring and Ranking Team (SRT) reviewed and scored non-objective factors
- The SRT met on August 29 to finalize scores and develop ranked project list in accordance with the adopted Scoring and Ranking Policies and Procedures

Applications Received

- 21 Renewal Applications*
- 10 New applications
 - 4 did not pass threshold
 - Six were scored (4 PH bonus and 2 DV bonus)
 - The total requested by the six new requests was more than the available bonus funding
 - SRT had to determine how to reduce the new project requests by \$1 million
 - This was done by accepting 3 of the 4 PH bonus projects and reducing 1 renewal project and 3 new project amounts
 - Please see Priority Listing for details

*One has been removed due to not having a renewal date in 2024 and therefore is not eligible for renewal.
