Description [\[hide this\]](#)

The United States Department of Housing and Urban Development (HUD) releases funding through the Continuum of Care (CoC) Program to assist people at imminent risk of or experiencing homelessness. In the Southern Nevada region, the CoC is the Southern Nevada Homelessness Continuum of Care (SNHCoC), and SNHCoC is responsible for preparing the annual application for HUD CoC funding.

For detailed information related to the SNHCoC local application please visit <https://helphopehome.org/funding-opportunities/>

NOTE: Agencies that are seeking funding for multiple programs need to submit one pre-application per program, but only need to submit their audited financials and nonprofit documentation once, in one of their applications. However, project-specific information from SAGE and eLOCCS must be uploaded individually for each renewal project.

Select HIDE or SHOW for each section to expand and minimize each section.
