

Sally Moore

Sally Moore is representing the City of North Las Vegas on the board in her capacity as Assistant City Manager. She brings over 20 years of civil servant experience and leadership. Part of her role at the City is coordinating Community Services and Engagement which aligns with the objectives of the Continuum of Care Board. Personally, through her family, Sally has firsthand experience in the areas of severe mental illness, criminal justice system, and homelessness. She brings passion, is a great listener and hopes to make a difference on the board.
