LMM, Director of Housing & Shelter

Josh Dubensky

jdubensky@sageusa.org

SAGE, Housing Policy Advocate

The Equal Access Rule, one of the only sources of federal protections for transgender and gender-expansive people in housing and shelter accommodations, is actively being dismantled by the current administration. Come learn what your community or program can do to ensure that all people can access safe shelter and appropriate housing options. Hear more about inclusive practices that center everyone's safety regardless of the presence or absence of federal protections.
