Kim Jefferies, Campus for Hope  
Lauren Boitel, ImpactNV  
Martin Castro, Lived X Consultants  
Miguel Davila Uzcategui, Community Advocate  
PJ Moore, Coordinated Entry Lead Entity  
Wilson Ramos, City of North Las Vegas

**Absent:**

**Agenda Item 1. Call to Order.**

The meeting of the Southern Nevada Homelessness Continuum of Care Board was called to order at 3:00 p.m. on Monday, November 24<sup>th</sup> 2025, online via teams.

**Agenda Item 2. Approval of the minutes from the November 12<sup>th</sup>, 2025 SNHCoC Board meeting; for possible action.**

A motion was made to approve the minutes. The minutes were approved.

**Agenda Item 3. Approval of the Agenda with the inclusion of any emergency items and deletion of any items; for possible action**

A motion was made to approve the agenda. The motion was approved.

**Agenda Item 4 2025 Continuum of Care (CoC) Notice of Funding Opportunity (NOFO) Priority Discussion; for possible action.**

The Collaborative Applicant held an emergency Board meeting to discuss the 2025 Notice of Funding Opportunity (NOFO). During the meeting, the CoC team presented an overview of the scoring rubric and prioritization strategies. Currently, the Southern Nevada Homelessness Continuum of Care (CoC) has \$19.8 million invested in Permanent Housing (PH) projects; however, only \$7.5 million can be submitted for renewal due to HUD's new 30% cap on PH funding. This limitation poses a significant risk of eviction and disruption to permanent housing for hundreds of formerly homeless individuals particularly those who are disabled or have experienced chronic homelessness and could reduce capacity across the system of care. To minimize these impacts, the 2025 competition will prioritize renewing Permanent Supportive Housing (PSH) projects over all other project types, and renewal projects over new submissions. Because HUD has not yet released instructional materials or opened the eSNAPS submission platform, the Board granted the Collaborative Applicant authority to make reasonable adjustments to the scoring criteria or application requirements, as needed, in response to HUD guidance while remaining aligned with the established priorities. The CoC team also shared a draft of the 2025 NOFO scoring criteria, which reflects these priorities. Renewing PSH projects will receive 10 additional points, while all renewing and transition projects will receive 5 more points than new projects. As in previous NOFO cycles, HMIS and SSO Coordinated Entry grants will not be scored; instead, they will be placed at the top of Tier 2, as required by HUD. The rubric also incorporates elements related to HUD's additional priorities under the Coordination category, with slightly increased weight to help determine whether projects meet HUD's scoring thresholds. To maximize the amount of PSH that can be placed in Tier 1, it was proposed that renewing system infrastructure grants for HMIS and Coordinated Entry be ranked at the top of Tier 2 rather than in Tier 1. Due to the 30% PH cap, the CoC will not invite new PH proposals. Any PH project that cannot be ranked within the 30% cap will be automatically rejected, and those funds will be reallocated to new projects. Providers may submit only one application for an existing project and may choose to apply as either (1) a renewing PH project or (2) a transition (TH) project. Providers may also decline to renew a project and voluntarily

reallocate their funding to support new applicants. High-performing Transitional Housing (TH) projects will also be prioritized. The Board will reconvene on November 26th to continue reviewing the scoring rubric.

**Agenda Item 5. Identify emerging issues to be addressed by staff or by the Board at future meetings, and direct staff accordingly; for possible action.**

No updates were provided.

**Agenda Item 6. Adjournment**

Meeting was adjourned at 4:00 pm.
